

Hey [NAME]. I recently saw you on an [MLM COMPANY] Facebook Page. I'm just curious, are you working the [MLM COMPANY] Business or just a Customer? Message me back when you get a chance.

Thank You for Your Reply [NAME]. I've found that an extra source of income appeals to most Network Marketers. Just Curious, are you at all open to creating extra income outside of [MLM COMPANY]?

Thank You for Your Reply [NAME]. Just Curious ... do you still keep your options open for ways to make extra money outside of what you're currently doing?

Yes They're Open

[NAME], here's the link to a 5 Minute Video <https://youtu.be/KqjVX09oOv8> give it a watch and let me know 1) if you'd like more info ... or 2) It's not a fit for you ... either way is OK just let me know?

No Response After a Day or Two
